## small bin, big attitude

Our small bins are built with the same attention to detail as the larger models — with durable steel bodies, removable inner buckets, and strong steel pedals.

## keep liners where you need them

Our liner pocket makes it easy to store a 20 pack of custom fit liners inside the bin so you never have to search for them. Dispense them one by one quickly and easily for a faster liner change.

NEW!

One size does not fit all! Our liners are designed to fit each of our bins perfectly so there is no messy bag overhang or bunching — and they never slip. Extra-thick plastic and double-seam construction prevent rips and tears. Strong drawstring handles make the liners easy to lift, tie, and carry. Refill packs dispense liners one at a time — no perforations or unravelling — and are designed to fit perfectly inside bins with our built-in liner pocket system.
