Installation with glue

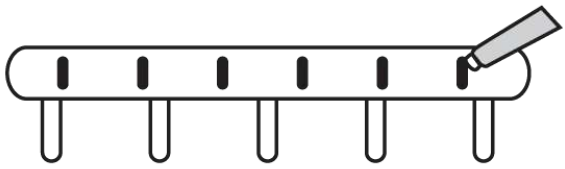

Stickers direction for use

Step 1

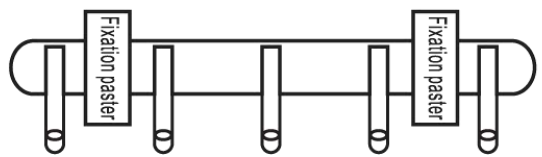

Clean the wall first, and make sure the wall is smooth

Step 2

Apply glue to the back of product (Distance 2-5cm)

Step 3

Press the product firmly against the wall with both hands and attach the sticker.

Step 4

After waiting for 48-72 hours (2-3 days), tear off the sticker

(If the sticker is removed and glued still to the product, please use this sticker to repeatedly paste twice to remove the residual glue on the product.)
